

Fleet Care

Repair

Simplifying. Understanding. Caring.

At NOV, we understand our customers are looking for only the best, most reliable equipment in the market. Let us help you be the one they choose. We designed, engineered, installed and tested. We are also here to help care for it. Together, we can help make your fleet as attractive as it possibly can be.

Fleet Care is about ensuring your success.

At NOV, we understand that downtime can be critical to your operations. We have spent time and effort to ensure you have the most highly trained personnel on hand to overhaul, repair, rebuild, and recertify a wide range of NOV equipment to the NOV Quality Assurance and OEM specifications – using only OEM parts. NOV's global network of repair centers provide unrivaled quality, customer service, on-time delivery and unmatched technical integrity. Equipment is inspected thoroughly to meet NOV's quality standards. Equipment repaired includes, but is not limited to: BOP's; Top Drives; Iron Roughnecks; Drawworks; Mud Pumps; Motion Compensation Systems; Riser, Buoyancy and Riser Handling Tools.
