

Certificate of Approval

This is to certify that the Management System of:

NOV Tuboscope Middle East LLC

Plot 6 & 7, AR 17, ICADII, Mussafah Industrial Area, Abu Dhabi, United Arab Emirates

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 0046055

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Non-destructive Testing (NDT), storage and maintenance services for new and used Oil Country Tubular Goods (OCTG), line pipe and drilling equipment (pipe and tools). Removal, preparation, and application of sacrificial hardfacing welding products to drilling components. Provision of Third Party Inspection services, and Qualification Services for Welding Procedures and Welders/Welding Operators Primarily in Oil and Gas and General Industries. Application of powder and liquid coatings to the internal and external surface of individual lengths of OCTG, line pipe, couplings, drill pipes and associated equipment. Installation of Glass Reinforced Epoxy (GRE) Liners and application of external wrap coating to Oil Country Tubular Goods (OCTG) and associated equipment. Cold forming and inspection of standard line pipe ends in a suitable environment thus enabling pipe connection in the field using the Zap-Lok mechanical interference fit method.

Luis Cunha

Area Operations Manager - North Asia & SAMEA
