

Certificate of Approval

This is to certify that the Management System of:

Nov Tuboscope Middle East LLC

ICAD II, Mussafah Industrial Area, Abu Dhabi, United Arab Emirates

has been approved by LRQA to the following standards:

ISO 9001:2015

Basem Obaid - Area Operations Manager

Issued By: Lloyd's Register Quality Assurance Limited

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Current Issue Date: 9 May 2018

Original Approvals:

Expiry Date: 27 December 2020

ISO 9001 – 28 December 2011

Certificate Identity Number: 10081291

Approval Number(s): ISO 9001 – 0046055

The scope of this approval is applicable to:

Provision of inspection services related to new and used Oil Country Tubular Goods (OCTG), line pipe and drilling equipment. Application of hardbanding to drill pipe and associated drilling equipment.

Application of powder and liquid coatings to the internal and external surface of individual lengths of OCTG, line pipe, couplings, drill pipes and associated equipment.

Provision of Non Destructive Inspection and Surveys to Oil and Gas, Marine and Related Industries through Speciality Inspection Services.

Cold forming of line pipes ends to produce belled and spigoted pipe spools in factory controlled environment thus enabling the jointing of line pipe in the field using the Zap-Lok mechanical interface fit method.
